What's "Yuinchi"?

There are six sanctuaries within Sefa-utaki (the world heritage in Nanjo City), and "Yuinchi" is one of them. While Yuinchi means "kitchen" in the palace terms, it is also interpreted as a "place fully filled with abundance of harvests" because trade goods were gathered from all over the world to the Ryukyu Kingdom in those days.

40 minute drive from Naha Airport
 5 minute walk from Kyuka Center bus stop
 10 minute drive from Yonabaru intersection
 400 vehicle spaces available

THE YUINCHI HOTEL NANJO

English

Yuinchi Hotel Nanjo, a Hotel of Winds and Sunshine

A lovely hotel with exotic red clay tile roofs sits atop a hill on Sashiki, Nanjo City. Originally built as a national recreational facility, it has been reborn in 2009 as one of the leading wellness resort hotels in Okinawa.

Yuinchi Hotel Nanjo is set in an extensive 28-acre grounds and gardens surrounded by forests. We aim to fulfill your health and wellness needs, integrating earth- friendly living, wellness, nutrition and the best of local cuisine.

Savor the delicious meal prepared with the local ingredients. After sweating at huge exercise area or pool, refresh yourself at the hot spring. Experience the "LIFE CARING" for healthy body and heart at Yuinchi Hotel Nanjo.

Dining Facilities

At our two ocean view restaurants, our chefs prepare their dishes with fresh vegetables they buy locally every morning. Feast on exquisite Japanese, Western, Chinese and Ryukyu cuisine by our 3 chefs.

Restaurant Sunpeer

Yuinchi buffet that makes your body happy. We prepare over 50 of Japanese, Western and Chinese dishes that change from season to season.

Panoramic Lounge Kansha

At 150m above sea level, take a breathtaking view of Sashiki upland, the city of Nanjo and the Pacific Ocean. Our mottoes are "Good food is the best medicine" and "Eat locally." Try our healthy gourmet dishes prepared with seasonal ingredients.

Shop Haisai

A one-stop shop for sweets, drinks, jewelry, local specialties and souvenirs that enhance the memories of your stay on Okinawa.

Banquet hall/Conference

For weddings, receptions, and other parties, conferences, training for groups large and small. Japanese and Western room available.

Nanjo A City of History and Culture

Nanjo City boasts a rich natural landscape of Okinawa and the culture and history of ancient Ryukyu. Numerous scenic and historic sites like Kudaka Island which is said to be birthplace of the Ryukuan people, and Seifa-utaki (a sacred prayer ground), a UNESCO world heritage site, enhance the stately and solemn atmosphere of Nanjo City. Enjoy a quiet visit of the historical sites or connect with nature on a tour of spiritual energy places. Experience Okinawa to the fullest during your stay at Nanjo City.

Sefa-utaki / San-Kori

Chinen Marine Leisure Center

Chinen marine leisure center is located in Nanjo city in Okinawa, offering transportation service to uninhabited islands and various marine sports. Komaka uninhabited island which is managed by us is especially popular destination. Many guests enjoy the vacation in crystal clear ocean throughout the year.
